

Looking for a way to break up your summer but you don't need a full time summer camp? Sign up for

CPS Summer Activity Passes instead!

How it works: This year we are offering some new, fun classes on a regularly scheduled day and time each week. Students not enrolled in camp are welcome to sign up to attend **ONLY THE CLASSES** they choose and don't need to stay for the entire day of camp.

All students enrolled in CPS may participate. **If you are already registered for the full time summer camp, there is no additional fee (other than for swimming) to attend these classes.**

Fees: There will be a \$10 non-refundable registration fee for each swimming summer pass purchased. Each pass costs \$5-\$35 for the summer (depending on the event). Payment is due at the time of registration, and there are no refunds available.

Check out the different passes and we hope to see you here!

Summer Passes

1. **Swimming pass- Friday's Time 9:00-10:00 beginning June 9th through July 28th , \$35 for 8 times!**

Every Friday (weather permitting) we'll ride from CPS to the YMCA pool and swim **from 9-10**. Their lifeguards will perform a swim test and everyone will be coded as to their level of ability. Campers participating in this need to be at CPS by **8:15**, wearing their bathing suits and some flip flops or sandals (that can be walked in!). Don't forget to pre-apply sunscreen and bring a towel!! Students will need to be picked up from CPS after the trip.

2. **Middle School Mornings- Monday's 10:45-1:15 beginning June 12th -\$5 each trip, no registration fee!! Just bring your friends and a smile!!**

JUST FOR MIDDLE SCHOOL STUDENTS (entering 6th grade and up): From June 12th to July 17th. Is your Middle School student bored at home yet? Well, Middle School Mornings may be what they need! Tell them to call their friends and meet up at CPS and hang out downtown for a few hours. They will walk with a chaperone in the downtown area. We will choose a place to have lunch then return to CPS for pickup at 1:15. What a great way to see your friends again! Please be on time to pick up your middle school student!! To come with the group, the student **MUST** be signed up for this event. Students must bring own money for lunch (or you can bring your own lunch) and spending money. Minimum 2 students for each trip ☺
