

MEET THE TEACHER

Hi! My name is Mrs. Burgess and I am so excited to be returning to the Cathedral Parish School Family and, along with Mrs. Clark, being a team teacher in your child's classroom. It's going to be a fun year full of lots of learning and new adventures and I can't wait to see what the year has in store for us. I want to know all about your child, but first I am going to tell you a few things about me.

I was born and raised in St. Augustine and am the second child of four. Believe it or not, I attended Cathedral Parish School 1st through 8th grade! I graduated from St. Augustine High School and went on to attend St. Leo University where I majored in Elementary Education. I could not wait to graduate and start teaching! From there, I began teaching at Cathedral Parish School. Being a life-long learner, I continued my education while teaching at Barry University and graduated with my Masters in Educational Leadership.

I taught 3rd Grade for 9 years and also have experience in teaching 5th Grade. I know just where your student needs to be to move forward. I will challenge your child to reach for the stars this year!
