

CPS Superstar Twirlers 2016-2017

Thank you for your interest in becoming a CPS Baton Twirler! I try to keep the cost of twirling to a minimum, so you will only need to purchase a baton (if they decide to join, I have ones they can use while they decide), and a few parts to a uniform. We have raised some money recently that we are using to try to purchase some parts of our uniform that can be "checked out" for some performances like parades, and hopefully that will grow so our purchases will be at a minimum. We have new twirlers meet 3 times to learn the basic twirls first, then we all come together to begin learning the new performance song for the year. Our first performance for the year is actually the Christmas parade, which is the first Saturday in December. More information will come out for that.

We will be meeting on Tuesday's from 3-3:30, and the place will vary, depending on what sport practices are going on. I will always bring the girls down to the covered walk way for dismissal. If I am ever sick or need to cancel practice, I will send a group email.

My email is lmanfredo@cpsschool.org if you have any questions.

Thank you!!
