A Letter from Deacon Ott

On Wednesday, we were joined by 16 seminarians and a priest from the major seminary in Boynton Beach for Mass. Fr. Kevin challenged us to consider not just what we want to do in life, but what God wants us to do. May we all respond to God's call with trust (that God knows and wants what's best for us), courage (to do what God asks, even when it is hard), and generosity of spirit (in return for how generous God is to us)!

We would like to thank the Reuther Family for their very generous donation and 3 CPS dads, Johnny Rogero, Chris Vogel, and Matt Hoppe. Without them we could not have done the parking lot project.

Hello,

The Sisters of St. Joseph of St. Augustine have started an educational/career development program. It is called the St. Joseph Neighborhood Center program, and it is specifically for single working mothers whose incomes are just above the poverty line. The participants are mentored and supported as they take classes, earn certifications, and obtain on the job training and they are paid for it. This program is a great way for these women to earn a higher wage rate and improve the lives of their families. Our website is www.sjncfl.org.

If you know of a woman who might be a good fit for the program, please let me know or give her to our website information. Also, if you know of a Business Owner who would like to employ a participant after she completes the program, please contact me.

Together we can improve the lives of these women and their children. Thank you.
