## Mission Statement

We, the Catholic Community of Cathedral Parish School, will be examples of Christian teachings, will serve others as Jesus would, will achieve academic excellence, and put Christ first in ALL we do.

**4th grade created their own sundials! The sundial, the oldest known instrument for telling time, allows us to track the position of the sun more accurately!**

## A Letter from Deacon Ott

How powerful it was to sing America the Beautiful with our veterans on Tuesday. To feel their love and passion for our country was truly inspiring for our students. Thank you once again to our CPS veterans; may God bless you for your service to us!

**This week we honored all who served! Happy Veterans Day!**
