MISSION STATEMENT

We, the Catholic Community of Cathedral Parish School, will be examples of Christian teachings, will serve others as Jesus would, will achieve academic excellence, and put Christ first in ALL we do.

Mrs. Whitehouse's 2nd grade had some fun in centers

A Letter from Deacon Ott

In a week in which we won two basketball championships, had try-outs for volleyball and soccer, had a school Spelling Bee and will play for an elementary flag football championship, it can be tempting to judge our successes by the trophies and ribbons we win. God is more interested in our effort and growth. May we as parents and teachers be sure to celebrate those things, even as we congratulate the winners and those who made the team, and remind our children that losses, failures, and mistakes create opportunities for growth, resilience and learning!

Who We Are

Inspired by the loss of a dear friend to suicide in 2021, our foundation turns grief into action. We are dedicated to suicide prevention and mental health advocacy, breaking stigmas and encouraging open conversations.

Our mission is to support mental health through community initiatives and direct funding. Every dollar funds workshops, outreach programs, and counseling services.

What We Do

Our key initiative is providing counseling services for those without insurance or who cannot afford copays, ensuring financial barriers do not hinder access to mental health care.

Requirements for funding: At this time, we only assist those affected by suicide. Our future goal is to expand our outreach to others in need as we grow. Have a referral? Contact Nancy Guinn at tonyakucfoundation@gmail.com.
