Mission Statement

We, the Catholic Community of Cathedral Parish School, will be examples of Christian teachings, will serve others as Jesus would, will achieve academic excellence, and put Christ first in ALL we do.

Mrs. Sowards won an award from our yearbook company, Leonard's!

A Letter from Deacon Ott

On Friday, our 4th graders went on retreat and spent some time learning how to listen to God and practicing listening to God. How often do we take time to actively listen and discern what God is saying to us? Jesus says we should approach God like children; may we learn from our children in their faithfulness!

Kindergarten celebrated Johnny Appleseed Day! They enjoyed their science lesson of making apple sauce and watching the apples turn from solid to liquid!

It's been an egg-citing week in our Science classes!

4th graders were engineers designing a problem. They needed to create a model that would protect their eggs from cracking!

5th graders launched their rockets this week! Many eggs were not broken!

Both 4th grade classes had a great time at their retreat!

We enjoyed cheering on our flag football and cross country teams!
