## A Letter from Deacon Ott

Over just a few days, we go from celebrating the joy and innocence of childhood at our VPK Celebration to remembering our fallen heroes on Memorial Day. We have much to be thankful for on both fronts. We are deeply thankful for the sacrifices of those who allow us to live lives free from oppression and allow our children to be children— and we as adults to have carefree moments of joy as well!

5th graders are getting ready for middle school by practicing opening locks!

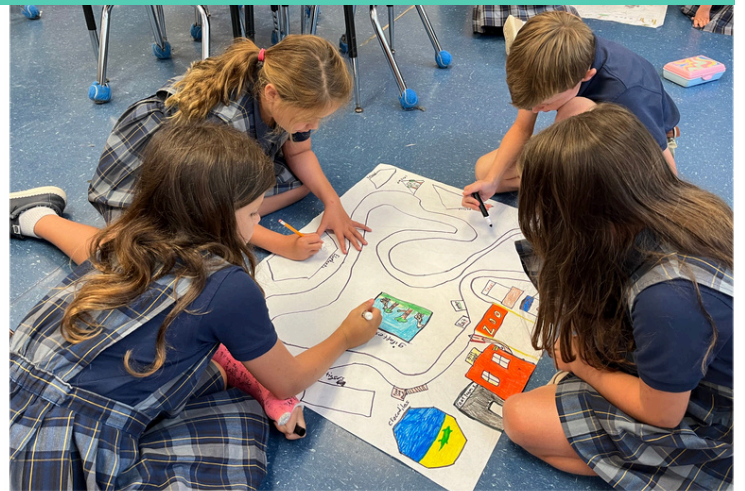

# Our upcoming CPS graduates compared their recorded height in 6th grade to their current height!

The sixth graders were very proud of the Space Games they created to help study for the Final Exam. They had to design, create, and construct the game board, playing pieces, rules, and challenge cards in this lab!

Mrs. Clark's class did an amazing job on their Geometry Zoo drawings!

# VPK celebrated their graduation with a luau ceremony!
